ABOUT ME

As an aspiring Application Development Student and who recently graduated Senior High School, I am eager to apply my skills and develop my character further. I am currently pursuing my higher education while seeking employment to foster discipline and financial independence. I am confident that my passion for learning and growth will make a valuable addition to any team.

WORK EXPERIENCE

Makati High School (Records Office) APRIL 2023 - MAY 2023
School Registrar Assistant (Work Immersion)

- I worked as a school registrar assistant during my work immersion program, where I developed strong organizational, communication, and time-management skills
- My main responsibilities included organizing school documents like Form-137 and SF10s in alphabetical order by year, handling enrollment inquiries for junior and senior high schools, and ensuring the timely preparation of Form-137s for release.
